

The image is a collage of several photographs and graphic overlays. At the top, there's a green banner with white text and icons. Below it is a large photo of a bridge over water with buildings in the background. Overlaid on this are several circular logos and text boxes. One box on the right contains the WWF logo and text about saving the Baltic Sea. Another box on the left contains the Stromma logo and text about their partnership with WWF. A large circular badge in the center-right features the word 'EXTRA' and 'GET SOMETHING WITH YOUR TICKET'.

The advertisement features a large banner at the top with the word 'Reffen' in a stylized font, followed by 'NEW SEASON APRIL 2019'. Below the banner is a photograph of a crowded outdoor market at sunset. The central text reads 'THE LARGEST STREET FOOD MARKET IN THE NORDICS'. Below this are two sets of statistics: '40 food stalls - 15 creative workshops' and '100 containers - 2500+ seats'. There are four smaller photographs: a close-up of a hand holding a large, multi-layered burger; a row of denim jackets hanging on a rack, one with a yellow smiley face patch; two women smiling and toasting with glasses at a table; and a hand holding a bowl of salad.

The image features a woman in elaborate historical attire, representing a Viking or Danish royal figure. She wears a blue and gold patterned dress with a fur-trimmed collar, a wide gold chain necklace with large circular pendants, and a headband. She holds a small golden cup in her right hand and a rectangular silver box in her left. To the left of the image is a red circle containing the text "MEET THE DANES AND THE VIKINGS". The background is dark and textured.
